Dear Primary 7 Parent / Guardian

**Re: Holy Trinity College Open Day Visit & Subject Sampling Day including Sentinus Project Presentation**

Your son / daughter has reached their final year of Primary school and the time has come to make decisions regarding their future post-primary school placement. Selecting the next stage of your child's education is one which requires careful consideration. In Holy Trinity College, we believe that the transition from Primary School to Post-Primary School must be as smooth as possible, to ensure that your son / daughter continues to work in an environment where he / she will feel safe, feel valued, feel nurtured and most importantly, feel happy.

Last year, Holy Trinity College organised Open Day Visits for Primary 7 pupils and parents/guardians. This process was extremely successful and popular, and therefore, similar arrangements are in place this year. **Open Day Visits with a Tour of the College and Subjects**, and a **Virtual Open Evening**, will occur on **Thursday 19 January 2023**, thereby providing you with a great opportunity to experience life in Holy Trinity College.
